

Winter fun , naturally!

Where do you find the greatest winter fun for families, adventurers and snow hares?

In the Salzkammergut - and in Dachstein West, of course! On 160 kilometers of pistes and the 44 kilometer panoramic Dachstein Tour, you'll always have the legendary Dachstein in view: from Annaberg, St. Martin in Lammertal via Russbach and Gosau to Bad Goisern, Obertraun and Hallstatt.

Whether skiing, skitouring or snowshoeing, whether beginners, families or experts: you feel especially close to the mountains, you experience nature particularly gently. After all, the Salzkammergut presents itself from its most beautiful sides here: So much that UNESCO has awarded us the title of World Heritage Site. Enjoy the most beautiful views imaginable – and perfectly prepared slopes for your boundless winter pleasure!

For an all-round perfect experience, we also pay attention to the topic of sustainability. In addition to numerous e-charging stations, all lift facilities are supplied with electricity from renewable energy sources! Sustainable, naturally!

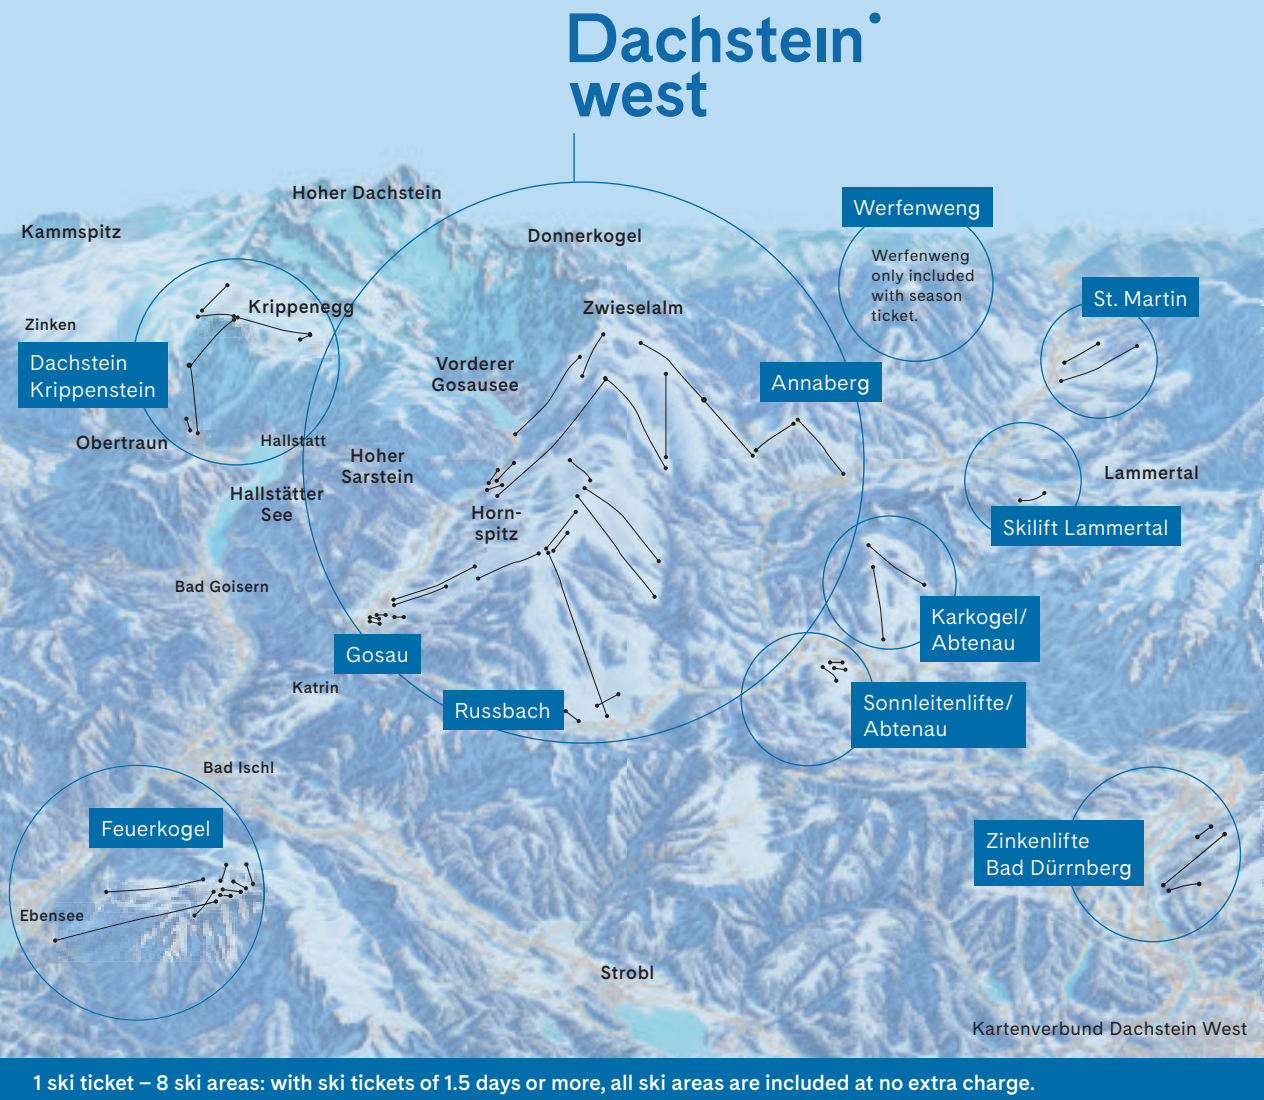

The ski area Dachstein West is an area of the "Bergbahnen Dachstein Salzkammergut". Under this umbrella brand you'll now find all the locations of OÖ Seilbahnholding GmbH, including Dachstein West Gosau, Feuerkogel Ebensee, Grünberg Gmunden and Dachstein Krippenstein Obertraun as well as the Bergbahnen Dachstein West GmbH with Russbach and Annaberg.
